

Exclusive Opportunities

POWER ARMS

TAKE PITCHING TO NEXT LEVEL

This 10-session, one-of-a-kind elite program, has been specifically developed to add AT LEAST 3-5 MPH to a pitcher's velocity. Through using the revolutionary CORE VELOCITY BELT, pitchers learn how to truly use their lower half effectively. In doing so, the belt helps create a throwing motion that is safer and more efficient. **BENEFICIAL FOR PITCHERS AND POSITION PLAYERS**

~AGES 15 & UP~ Cost: \$285~

Program headed by former pro player, John Stankiewicz

FEATURING ARM STRENGTHENING THROUGH:

- Weighted ball training/throwing
- Targeting specific muscles for throwing
- Resistance band training

MONDAYS AND THURSDAYS 7:30-8:45pm NOV 2-DEC 10, 2026

POWER BATS

TAKE HITTING TO NEXT LEVEL

10-session hitting program designed to improve exit velocity, bat speed, and quality at-bats. Players will use overload and underload training, varied bat weights, plyo balls, and targeted hitting drills to build a faster, more powerful and consistent swing. Improve barrel control, contact quality, and the ability to consistently drive the baseball with authority. Ages 13 and up. Cost: \$285

MONDAY and THURSDAYS 7:30 ~ JANUARY 11-FEBRUARY 11, 2027

Youth Instruction

INDOOR INSTRUCTIONAL BALL

Champions offers leagues for boys and girls, ages 6-8 years old. The league is played a little different than other leagues, as players will play a small 6-on-6 or 8-on-8 indoor game on the field. Players will rotate on the field while Champions Instructors coach the players to improve their fundamental skills & increase their awareness of game situations.

Cost: \$99 per five-week session

Jr. High/High School

HIGH SCHOOL PRE-SEASON

On our indoor turf infield, professional instructors are holding pre-season training sessions for players ages 14-18. Through intensive instruction on offensive and defensive skills and conditioning, players will have the opportunity to improve their skills and gain an edge on their competition. This will prepare players for high school try-outs and the upcoming season.

5-week work-out schedule as follows:

HITTING -WEDNESDAYS 7-8:00pm

This workout focuses specifically on hitting mechanics and other offensive aspects of the game, including hitting to all fields and off-speed pitches

FIELDING - WEDNESDAYS 8-9:00pm

This workout focuses on solid fundamental infield and situation play, double plays, extensive ground balls, footwork, backhands

CATCHING - THURSDAYS 7:30-8:30pm

This workout focuses on blocking, receiving, throwing, bunt situations and more

SESSION #1 November 4-December 2, 2026

Cost: \$130 per 5-week workout or \$330 for all three

JUNIOR HIGH WORKOUTS

Pre-Season workouts designed for Junior High Players, ages 12-15. Through this intensive pre-season training, offensive and defensive skills will be improved allowing players to start the season ahead of the competition. Training lasts for five weeks and will take place on our turf infield with our professional and highly knowledgeable instructors.

SESSION #1 November 3-December 1, 2026

SESSION #2 February 9-March 11, 2027

HITTING, Tuesdays 7-8:00pm

FIELDING, Tuesdays 8-9:00pm

CATCHING, Thursdays 7:30-8:30pm

Cost: \$130 per 5-week workout or \$330 to participate in all 3

ELITE PITCHING TRAINING

This training is designed to assist pitchers in improving and maintaining much needed pitching skills during the off-season. This training is a must have for players who are serious about pitching in their baseball career. The competition is doing it!
